## STATE NEWS COMMENT

Manatee Record:—Doesn't look now as though 'Old Jordan' would be 'run out of Punta Gorda.'

Ocala Star:—Prohibition has sometimes been wrongfully accused of being a stalking horse, but in this state it has become a Catts-paw.

Arcadia News:—A new anglers' magazine has decided to print no more fiction. Editor A. P. Jordan, of Punta Gorda Herald, will no longer contribute articles to this magazine.

Ocala Star:—We hope that the guardians of liberty in Florida will take note of the fact that their national court has in dorse Hughes and entered on a vindictive campaign to defeat Wilson.

Ocala Banner:—Dr. Dan Morgan Smith of this city has just returned from Mr. Catts' old home, and the question up there is not 'Is Catts crazy?' but is 'Are the people of Florida crazy?'

Ocala Star:—You don't have to vote for Knott in the general election, but if you vote for Catts

you vote yourself out of the democratic party. The democratic party may be beaten in this election, but it will be here in the next one, and its going to draw the lines tight.

Jax. Metropolis:—Punta Gorda has issued \$206,000 worth of bonds for street and sidewalk paving and a bridge across Charlotte Harbor. Maybe since Brother Albert found he was going to have to stay at home a while he decided to fix things up a bit.

Tallahassee Record:—Catts said in his Gainesville speech that he had two revolvers in his grip always oiled and that he would kill the first man who called him a certain impossible thing. Catts, old boy, you'd better turn over on your side; you're having a whole stable of night mares.

Gainesville Sun:—Laying all jokes aside, if Catts, running as prohibitionist and independent,

wins the governorship, would he be bound to appoint anyone having Democratic recommendation? Would he not be bound to reward some of those who bolted the ticket in his behalf?

Volusia County Record:—S. J. Catts, recent independent candidate for Governor, will now be the Prohibition candidate for the present. He quit the ranks of the democracy long ago. In fact, what he has had to say since he first became a candidate convinced us he was no democrat. It requires no further proof now that Mr. Catts is any party's candidate just so he is governor.

Plant City Courier:—There is hardly a branch of the Christian church in the state of Florida with fewer adherents, except in three of four communities, than the Catholic denomination. But if this church does not make a wonderful growth during the next few years it will not be the fault of a strong organization, which is doing more than any other agency to foster Catholicism by an unreasoning opposition. The early Christian church and later the Protestant church grew faster where persecuted most.

## Don't Neglect Your Cold

Neglected colds get worse, instead of better. A stuffed head, a tight chest must be relieved at once. Dr. Bell's Pine-Tar-Honey is Nature's remedy. Honey and glycerine heal the irritated membrane, antiseptic tar loosens the phlegm, you breathe easier and your cold is broken up. Pleasant to take, Dr. Bell's Pine-Tar-Honey is an ideal remedy for children as well as grown-ups. At your Druggist, 25c.
